Eric,

Sure - that works. Given the current state of progress at the site, Paul Seidel and I have agreed that he will participate and be DEQ's point of contact. You may include him in the meeting invitation. He will keep me apprised of the group's work.

Leah

Leah,
I'm good with others attending, however, my goal is to get us back to what I understand the original intent to be. That is to have each agency with a representative and single voice/speaker.
Thanks,
eric

Thanks, Eric. For DEQ, we also need: Paul Seidel, Cleanup Program Manager. I've also added him to this email chain so he is aware an invitation is coming.

Thanks, Leah

Subject: Bradford Island Managers Forum

All-

Good morning! I'm writing to confirm your representative for the Managers Forum. In the past, this group has grown and led to confusion as to what role each of us plays. My intent is to identify the representative from each agency and maintain the appropriate level of engagement/discussions. Please confirm or identify a different member as appropriate. Below is what I have:

ODEQ - Leah Feldon
ODOJ - Gary Vrooman
Yakama Nation - Paul Ward
EPA - Ken Marcy
WA Ecology - Rebecca Lawson
WA AG - John Level
USFWS - Jeremy Buck
USACE - Eric Stricklin

Once confirmed, a doodle poll will follow. Looking forward to meeting in August.

Respectfully,

Eric Stricklin
